DEAN'S LETTER OF RECOMMENDATION FOR TRANSFER STUDENTS

Instructions for student: This form is intended to verify good-standing at your last enrolled institution and should be completed by the dean of students or equivalent office responsible for student conduct. Please ask the dean to send the completed form directly to Bradley University. Your signature authorizes release of information regarding your conduct record. If you have been involved in disciplinary action at any previous institution, you must submit a separate statement explaining the incident.

Bradley University requires the receipt of this completed form from all students transferring to the university prior to a student registering for classes. A conduct or disciplinary record at a previous institution may result in the cancellation of your acceptance to Bradley University.
