

## Chapters Participating in Deloitte Best Practices

- You need to submit abstracts **directly** to the Director-at-Large via email. (Roann Kopel - [rrkopel@eiu.edu](mailto:rrkopel@eiu.edu))
- Best Practices abstracts are due on January 20, 2009
- Only chapters whose abstract meets all the required elements will be permitted to compete in Best Practices at the Regional Meeting.
- Chapters who fail to meet all the required criteria may **not compete** in Best Practices. However, these chapters **may still choose to present** at the Regional Meeting in order to obtain an ROA.
