

## Accommodations for Parents

ON CAMPUS – Many parents choose to stay in our air-conditioned residence halls. Staying in a residence hall is convenient and inexpensive. Like most student housing, they do not have room service or individual washroom facilities.

OFF CAMPUS – If you prefer more amenities than the residence hall provides, you may wish to make housing reservations at one of the following hotels/motels. **When making your reservation, be certain to mention you are with Bradley University's Parent Orientation program because you will get the Orientation rate.**
