

## **ASSISTANT PROFESSOR, MECHANICAL ENGINEERING**

Bradley University invites applications for a tenure-track, assistant professor position in the area of mechanical system design.

The position is available as early as January 2010. The successful candidate must have an earned Ph.D. in mechanical engineering or equivalent and exhibit a strong commitment to undergraduate teaching and undergraduate instructional laboratories. A specialization in one or more of the following areas is preferred: controls, design, dynamics, entrepreneurship, materials engineering, mechatronics, robotic systems, or vibrations. The successful candidate must have the ability to work with other faculty, the ability to recruit students, and experience in a laboratory setting. Preference will be given to applicants capable of assuming a leadership role in expanding the department's research and cooperative industrial projects. Industrial and/or entrepreneurial experience is preferred. Proficiency in English, both written and oral, is essential.

Qualified candidates should submit a cover letter addressing the qualifications for the position, one page statement on teaching and instructional laboratories, one page statement on research interests, resume, and complete contact information for at least three professional references electronically to: [MEsearch@bradley.edu](mailto:MEsearch@bradley.edu) or via direct mail to:

Dr. D. Paul Mehta, Chair  
Mechanical Engineering  
Bradley University  
Peoria IL 61625

Bradley University is a distinctive, medium-size, comprehensive private institution of higher learning. The University is located on an 85-acre campus in Peoria, the largest metropolitan area in central Illinois. With approximately 5,000 undergraduate and 800 graduate students, Bradley offers the opportunities and choices of a larger university (with over 130 programs in five colleges, plus a graduate school) and the quality, personal attention, and challenge of a small private college. Bradley is rich in tradition and full of promise to become one of the nation's best comprehensive universities. For additional information about the University visit [www.bradley.edu](http://www.bradley.edu).

Bradley University is an Equal Opportunity and Affirmative Action Employer. The administration, faculty and staff are committed to attracting qualified candidates from underrepresented groups.
