

Assistant/Associate Professor of Civil Engineering - Construction.

The Department of Civil Engineering and Construction at Bradley University invites applications for a tenure-track faculty positions at the Assistant/Associate Professor levels starting in January or August of 2010 in the area of Construction Management. Duties include teaching graduate and undergraduate courses, supervising students, and attracting funded research. Salary and rank are commensurate with qualifications.

Bradley University is a distinctive, medium-size, comprehensive private institution of higher learning. The University is located on an 85-acre campus in Peoria, the largest metropolitan area in central Illinois. With approximately 5,000 undergraduate and 800 graduate students, Bradley offers the opportunities and choices of a larger university (with over 130 programs in five colleges, plus a graduate school) and the quality, personal attention, and challenge of a small private college. Bradley is rich in tradition and full of promise to become one of the nation's best comprehensive universities. For additional information about the University visit www.bradley.edu.

Applicants should have a Bachelor's degree in Construction Management or any other construction related field. The position requires an earned doctorate in Construction Engineering or Construction Management but applicants with a terminal degree in Architecture will also be considered. Selected candidates should have a broad background that may include knowledge of architecture, construction graphics, materials and methods, contract documents, project management, estimating, scheduling, automation, information technology, and construction simulation.

This position provides exceptional opportunities for individuals who wish to join a first-rate multi-disciplinary department with an active Center for Emerging Technologies in Infrastructure that has strong ties to major industrial partners and eminent internationally renowned universities. The selected candidates will work with renowned faculty who have co-authored more than 20 textbooks. The selected candidates will also have unique opportunities to teach overseas through our study abroad programs in the UK, France, Egypt, Jordan and other destinations. The department currently has 15 full-time faculty positions, 10 part-time faculty and approximately 275 students and holds its own job fair, the Innovations Conference on Asphalt & Transportation, and a major study abroad program. In 2008 the department set a new record in freshman enrollment and another record in 2009 with 48.7% of the incoming class being presidential scholars.

Qualified applicants should submit a cover letter addressing the qualifications for the position, a complete resume that includes a list of relevant graduate courses, a statement of teaching and research interests, copies of undergraduate and graduate transcripts, contact information for a minimum of three professional references, and three letters of recommendation to:

Attn: Construction Search
Dr. Amir Al-Khafaji, Professor and Chair
Department of Civil Engineering and Construction
Bradley University

Peoria, IL 61625
e-mail: *amir@bradley.edu*

Review of applications will begin immediately and continue until the positions are filled.

Bradley University is an Equal Opportunity Employer. The administration, faculty and staff are committed to attracting qualified candidates from underrepresented groups.
