

ENG 207-01 and ENG 207-03: Creative Writing I

George Chambers

Lots of writing. A bundle of weird exercises to catch you off guard. Bunches of self-originated stuff: poems, stories, plays, warm thots, novels, unformed forms, jokes, screen plays, rap n hip hop stuff, cartoons, comics, diaries, journals, day books, opera, graphic novels, graphic poems, songs, musicals, detective stuff, genre stuff.
