

rosetta stone—rainy may 27

dark, gold scribbles  
in a glass case  
horseshoed by layers

of warm spaniards  
snappin' photos  
the hype for this

rock! old-as-dust  
\_\_\_ b.c. and so on  
key to the past

like slave names  
and hieroglyphics  
old woman chewin'

cigar left arm slung  
blue hospital sling  
swayin' at rocky back  
of stone, lone reflect  
in glass case—  
don't give

shits for golden  
scratches, war(s),

pharaohs, statues,  
yr. cerebral greeks

& discs, oil/canvas,  
art nouveau or  
clocks—

just free benches,  
dry as christ
