This directory is published by GV Publications, Lubbock, Texas, under the direction of the Bradley University Office of University Relations.

Directory information is compiled from multiple sources. Bradley University is not responsible for incorrect listings if not properly notified of changes.

Changes in white page information, which is generated from computer records, must be made by the end of the third full week of classes each fall to be included in that year's directory. Changes in white page information (such as new name or address) should be given to the Registrar's Office for students, to the Provost's Office for faculty and administration, and to the Human Resource Department for staff.

Changes in green page information are collected each summer by University Relations.

This directory is intended for use by students, faculty, and staff of Bradley University only. Use of the directory by outside firms for the preparation of mailing or phone solicitation lists is prohibited.
