

SAO Scoop – March 2009

SABRC – Student Activity Budget Review Committee

The deadline to apply for funding from the student activity fee is Friday, March 13. As you may be aware, the student activity fee will be increased starting in fall of 2009. The budget review committee will have almost double the amount of funds to allocate to student organizations for their campus-wide programs and activities. SABRC is now taking applications for events which will be held in the all of 2009 or spring of 2010. Your organization is STRONGLY ENCOURAGED to apply for funding. All types of programs are funded by the student activity fee including club sports, comedians, bands, lectures, inflatables, hypnotists, talent shows, films, etc.

The funding application is available at

http://www.bradley.edu/campusorg/sabrc/application/application_forms.shtml. Please note that organizational meetings, conference expenses and office equipment (such as computers) are not eligible for funding. If you have any questions, please feel free to contact:

Jake Schmitt, SABRC Chairperson jschmitt@bradley.edu

Michelle Whited, Director of Student Activities mwhited@bradley.edu

Greg Killoran, Executive Director for Student Involvement gpk@bradley.edu

Remember: deadline for application is Friday, March 13!!

Student Leader & Organization Recognition Reception

Each year, the Student Activities Office recognizes student leaders and organizations for their contributions to campus life. Nomination/application forms will be posted on the SAO website over spring break (<http://www.bradley.edu/sao/>) with a deadline of mid April. All nominees/recipients will be honored at a reception on Monday, May 4, so please make sure to check them out and apply.

Activities & Volunteer Fair 2009

Registration forms are being accepted for the Activities & Volunteer Fair (<http://www.bradley.edu/sao/2009actfairreg.pdf>) which will be held during Welcome Week. Make sure to turn in your form before the end of the semester to secure your organization a spot in this great event.

Welcome Week 2009

Believe it or not, planning has already begun for Welcome Week 2009! If your organization is planning on hosting an event that week, please let me know so I can add it in. Also, please make sure you stop by the SAO to reserve a location for your event. That is a very busy week and we need to make sure you have the space you need.

Homecoming 2009

Planning has also begun for Bradley's 2009 Homecoming scheduled for September 30-October 4. This year's theme is Bradley de Fiesta. If your organization would like to host an event or assist with the planning of the week, please contact Christina Castro (ccastro@bradley.edu) or Kelsey McClellan (kmcclellan@bradley.edu) who are coordinating on behalf of ACBU.

Organization Registration

If your organization will be selecting new officers this spring, please make sure you let them know they need to complete a student organization registration form and turn it into the Student Activities Office. This will assist us in distributing information to the correct contact. Forms are available at <http://www.bradley.edu/sao/policies/reqform.shtml>. Once the form has been completed, it needs to be printed and signed by the new officers and the advisor before it can be turned in.
