Graduates = total number of graduates in the college
With Data = the number of graduates about whom we have data
Knowledge Rate = the percentage of the graduates for whom we have career outcomes information
Employed = employed, military service, service organization, artistic pursuits, fellowship, or own venture
Continuing Education = enrolled in graduate programs, professional school, specialized training programs, teacher certification, or second Bachelor's degree
Career Outcomes = the sum of % Employed and % Continuing Education
(Due to rounding, the % Career Outcomes does not always equal the sum of % Employed and % Continuing Education)
