

AMEDD Internship Program (AMEDDIP)

The Office of the Army Surgeon General sponsors the program. Cadets are assigned to Medical Department Activities (MEDDAC) and Medical Centers (MEDCEN). The purpose of the AMEDDIP is to offer a Cadet insight into the Army Medical Facilities and exposure to leadership in the medical arena. Cadets are assigned to a preceptor and work under their direct supervision and direction of an AMEDD officer.

Target Population:

Cadets pursuing academic majors in: Audiology, Clinical Lab, Dietetics, Environmental Science, Laboratory, Nutrition Care, Occupational Therapy, Optometry, Pathology, Pharmacy, Physical Therapy, Pre-Dental, Pre-Optometry, Preventive Medicine, Psychology, Social Work, Toxicology, Veterinary Medicine may apply for this internship. Other specialty areas may be available. For more information about special areas please email the CTLT Program Manager.

Locations:

Cadets in the AMEDDIP may serve at locations within the continental United States (CONUS) or outside the continental United States (OCONUS). CONUS locations include, but are not limited to: Ft. Benning, GA ; Ft. Bliss, TX ; Ft. Eustis, VA ; Ft. Leavenworth; Ft. Lewis, WA ; Ft. Sam Houston, TX ; and Walter Reed Army Medical Center, MD . OCONUS Locations include, but are not limited to: Landstuhl Medical Center, Germany, Tripler Army Medical Center, HI, and Wurzburg, Germany . Locations and positions available change annually.

Prerequisites:

1. Cadets with a Nursing Academic Major are not authorized to apply for this internship.
2. Enrolled in an academic major that matches the specific type of internship.
3. Have a desire to be commissioned to the Army Medical Department (AMEDD).
4. GPA of 2.5 or better in academic major.
5. MS III Cadets have priority. However MS IV Cadets graduating December or later may apply as an exception to policy.
