

# Ode to all Bagels

Bagels, Bagels are good for  
the soul with their big outside  
and little round hole.

Bagels, Bagels are good for  
the mind I've never been known  
to leave a behind.

Bagels, Bagels they put you at  
ease you can eat them with lox  
you can eat them with cream cheese.

*Ode to Bagels*

Bagels, bagels are good for the soul,  
with their big outside and little round hole.

Bagels, bagels are good for the mind.  
I've never been known to leave one behind.

Bagels, bagels, they put you at ease.  
You can eat them with lox,  
You can eat them with cream cheese.
