

Tomri

I used to be a pear of day  
But now I'm a fruitbat of night

I used to be gold of popularity  
But now I'm silver of normal  
I used to be silver of normal  
But now I'm bronze of plain

I used to be a weed  
But now I'm a tulip  
I used to be a tulip  
But now I'm a weed again

I used to be black  
But now I'm white

I used to be a gosling  
But now I'm a swan

I want to be Summer  
But right now I'm Winter

I walls could talk one would say  
I got to see gold  
turn into Black.
