

OSP ANNOUNCES

Upcoming Events and Updates from the Office of Sponsored Programs – September, 2015

PRESENTATION: SUBMITTING YOUR RESEARCH TO CUHSR (BRADLEY'S IRB)

Date, Time and Place: Friday, September 11th, 4-5 p.m., Kaufman Building Conference Room
Presenters: [Ross Fink, CUHSR Chair](#), and Professor and Chair of the Department of Management and Leadership; and [AJ Strubhar, CUHSR Associate Chair](#), and Associate Professor and Associate Chair of the Department of Physical Therapy and Health Sciences.

This session is HIGHLY recommended for ANYONE planning for or currently conducting research or scholarship that involves people. Participants will receive an overview of Bradley's Committee on the Use of Human Subjects in Research (CUHSR), including what constitutes research involving human subjects, how to submit an application, how determinations are made regarding exempt, expedited, and full review, and other tips to help you navigate the IRB process at Bradley.

[PLEASE RSVP to Sharon Rast at srast@fsmail.bradley.edu to reserve your spot.](mailto:srast@fsmail.bradley.edu)

SPECIAL EMPHASIS AND RESEARCH EXCELLENCE INTERNAL GRANT PROGRAMS

Fall Deadline for Proposals: October 10th

The Office of Sponsored Programs offers two internal grant programs to support faculty research and scholarship, and the meaningful engagement of students in research and scholarly activities. There will be two competitions in the 2015-16 academic year, with proposals due by October 10th or by March 12th. Please visit the Office of Sponsored Programs website for more information, application guidelines, and instructions on using the DocSoup system for submitting your proposals.

THE COUNCIL FOR UNDERGRADUATE RESEARCH

Bradley University is proud to support an enhanced institutional membership with the Council for Undergraduate Research. Through this membership, **any Bradley faculty member may establish an individual CUR membership AT NO COST.** To explore the resources and opportunities available through CUR, visit <http://www.cur.org>. To become a member, click on "Become a Member" under "Membership" on the top toolbar. When you enter "Bradley University" as your institution, a pop-up box will confirm the enhanced institutional membership and the waiver of fees for your membership.

THE OSP WEBSITE IS GETTING A FACELIFT

Over the course of the month of September, the OSP website will be undergoing a major restructuring to make information easier to find and use. New features will include an OSP Guide to Grants and Contracts and a new page featuring resources and information specifically for students. While we go through this process, please pardon our "dust" and contact the Office of Sponsored Programs directly if you cannot find information or forms that you need.
