

Chloe

So I seem like some prickly rose,
but im really a big pot of sunshine.

So I seem sometimes to be like a
wild tiger although sometimes I seem
to be a Dafidike.

So I seem to be a devil full of
flames but when you get to know
me im really a garden full of roses

So I seem like a big old Fony
But really im a person of amazingness.

So I seem to be perfect, but really
no ones perfect so im really im-
perfect.
