

Taylor

I used to be a gloomy
peach but now I'm a cheery
dragon.

I used to be a weak
horse. But now I'm a strong
believer.

I used to be a
hurt person but now I'm
a running pegasaurus

I used to be a dead
daffodil but now I'm
am a red alien

I used to a pointy tail
of tears but now I'm a
tear of laughter
