

Alex, Lincoln Middle School
7th grade
Teacher: Ms. Sarah Blecha

My Garage

garage
old and dusty
used to store momentos
but most use it as a car lot
not me

August

August is blinding yellow
The color of the shining sun
August feels like the burning of fire on your skin
It sounds like the chirping of birds
It smells like the wonderful scented flowers
August tastes like melting chocolate ice cream
August is my favorite month of the year
