****The Feminine Mystique*** - Groundbreaking Book by Betty Friedan

The Feminine Mystique by Betty Friedan (nee Bettye Goldstein, 1938 graduate of Peoria Central High School) was first published on February 19, 1963. It is often seen as the beginning of the modern Women's Movement. It is the most famous of Betty Friedan's works, and it made her a household name. Feminists of the 1960s and 1970s would later say *The Feminine Mystique* was the book that “started it all.”
