Risky

Risky will do absolutely anything.
He'll climb Mt. Everest with no harness.
He'll jump 500 feet into a pool.
He'll even go bungee jumping off the Sears Tower.
Risky has black hair, wears a sleeveless shirt that says: "Who Cares?!"
He has mysterious, dark blue eyes and dark brown hair.
He wears black pants that have holes everywhere.
Risky is such a dare devil,
Because he's lost a very important friend: Fear.
Risky hasn't completely lost Fear;
Fear has left an everlasting memory in Risky.
Ever since the loss of Fear, Risky hasn't been afraid of anything.
Any dare you can throw at him, he'll accept.
