For BU students and other covered individuals

Research (Descriptive Title):

Faculty Mentor/Supervisor:

In consideration of the opportunity to train from, participate in, and/or receive wages or other means of financial support through participation in the Research at Bradley University (“BU”), I understand that I may participate in the discovery or development of Intellectual Property, and likewise may come in contact with or generate information which is proprietary or confidential in nature (“Proprietary Information”). Therefore, and in consideration of the opportunity to train from, participate in, and/or receive wages or financial support received through participation in the Research:

1. I hereby assign and transfer to BU the entire rights, title, and interest in and to any intellectual property and associated patents, copyrights, trade secrets, or trademarks in development or that may result from the Research, and to all additions and/or modifications to said intellectual property.
2. I agree that anything pertaining to the Research marked as “confidential” or “proprietary,” anything that is later designated as “confidential” or “proprietary,” or anything I reasonably should understand as being confidential or proprietary, shall not be disclosed by me to anyone other than those designated in writing through a BU executed agreement.
3. I agree to not use, directly or indirectly, proprietary information or intellectual property pertaining to the Research, for any other use than specifically assigned to me by the Supervisor or as authorized in writing through a BU executed agreement.
4. I agree to comply with the provisions of any executed agreement between BU and an external sponsor, and will cooperate in assuring that the sponsor’s rights in intellectual property are fully protected.
5. I confirm that I have not entered, and will not in the future enter, into any agreement or other obligation to another person, company, or extramural sponsor with respect to any rights in proprietary information or intellectual property which are in conflict with the obligations contained in this agreement.
6. I acknowledge that, in addition to any rights that might accrue to an external sponsor, BU reserves the right to make and use any intellectual property I create during participation in the Research for educational or research purposes.
7. I acknowledge and agree that the provisions of this agreement will continue to apply after I leave or graduate from Bradley University.

This agreement is effective upon the latest date of signature.
