I'm running don't look back.

I'm running never look back.

Until I find my shadow keep running
as soon as it seems real stop.

I'm running don't look back

I'm running, I've found my shadow
it's all real, I'm walking home.

I'm through running until night

I'm Running

I'm running, don't look back.

I'm running, never look back.

Until I find my shadow, keep running.

As soon as it seems real, stop.

I'm running, don't look back.

I'm running, I've found my shadow.

It's all real, I'm walking home.

I'm through running until night.
