On a freezing day  
fourth graders go for recess  
They run like a herd of cattle!  
They rush  
They run to the door.  
They dare to grab snow  
and aim at each other!  
It's cold.  
I feel frozen like a popsicle!  
Outside it's like a refrigerator.  
I grab snow  
I shiver  
Brrr...  
Fourth graders going wild  
Just because there's snow.
