

COVID-19 Vaccination flowchart – Fall 2021

As communicated to campus on September 2, **ALL** students **MUST** have received their second dose of a two dose COVID-19 vaccine series or a single dose COVID-19 vaccine by Nov. 1, 2021.

Students who haven't submitted evidence of vaccination or received a medical or religious exemption by Nov. 1, will be **ineligible to register for classes** beginning with the early registration period that starts Nov. 4.

The **ONLY** exceptions will be:

- Students who receive a medical or religious exemption for vaccination. Exemption information can be [found here](#). Those with vaccine exemptions **must** participate in weekly COVID-19 testing during the spring term.
- Students enrolled in either our fully online or non-residential programs. However, please note, individual programs may require you to undergo vaccination to meet their requirements. If your program requires you to be on campus at any time, the vaccine mandate applies to you a minimum of three days prior to your arrival.
