### **Course Overview and Audience**

The prep courses are designed for those who are preparing for the Graduate Record Exam (GRE) or the Medical College Admission Test (MCAT). Bradley University has partnered with Kaplan to bring you comprehensive test prep options. A team of expert teachers will cover the most essential skills and strategies to succeed through practice tests and personalized homework assignments.

The courses are ideal for undergraduate students interested in a psychology doctorate or a master's in literature to increase your competitiveness for professional school.

### **Schedule and Key Sessions:**
