
PARKING REGULATIONS

Effective Date: August 1, 2026 (FY2027)

Department of Parking Operations | 105 MacMillan Hall | 1308 W. Bradley Ave., Peoria, IL 61625
parking@bradley.edu | (309) 677-2227 | bradley.t2hosted.com/Account/Portal

Any motor vehicle parked on University property in regulated spaces must display a valid Bradley University parking permit or pass. The type of permit indicates the areas where the vehicle may be parked.

Any vehicle which has accumulated **three (3) or more outstanding unpaid parking citations** or which inhibits traffic flow, hampers fire protection, is parked illegally in a reserved or handicapped space, blocks handicapped access, or displays a lost, stolen, or forged/altered parking permit is **subject to immobilization (booting) and/or impoundment (towing)** at the discretion of the Parking Operations Department.

Parking permits are required from 7:00 a.m. to 6:00 p.m. Monday through Friday. The Visitors Lot is a reserved area. All faculty, staff, and students are prohibited from parking in the Visitors Lot or any visitor parking space unless otherwise notified.

These regulations are subject to change. When changes are approved by the University, an announcement will be made in appropriate University publications prior to the effective date of the change.

The Parking Operations Department reserves the authority to interpret and administer these Regulations in a manner consistent with operational safety and University interests.

DEFINITIONS

The following terms are used throughout these Regulations. Where a term is not defined here, the ordinary meaning of the word in the context of University parking administration applies.

A

Academic Year — The period beginning August 1 and ending July 31 of the following calendar year. Parking permits are valid for one academic year unless otherwise specified.

Angled Parking Stall — A parking space oriented at an angle to the direction of vehicular travel in the adjacent drive aisle. Angled stalls are designed for single-direction forward entry only.

Authorized Towing Vendor — The towing company or companies holding a current agreement with the University to perform vehicle towing and impoundment operations on University property.

B

Boot (Immobilization Device) — A mechanical device attached to a vehicle's wheel that prevents the vehicle from being moved. Any vehicle with three (3) or more outstanding unpaid citations is subject to booting at the discretion of the Parking Operations Department. See Section X.

Business Day — Monday through Friday, excluding University-recognized holidays. For purposes of the one-business-day citation waiver window (Section VII), the window begins at the date and time the citation is issued and expires at the close of business on the following business day.

C

Citation (Parking Citation) — A written or electronic notice issued by an authorized University representative documenting a parking or traffic violation on University property. Citations are payable at bradley.t2hosted.com/Account/Portal or in person at the Parking Operations Office.

Citation Waiver — The administrative dismissal of a qualifying parking citation upon the timely in-person purchase of a valid parking permit, as provided in Section VII. A citation waiver is available only for "No Valid Permit on Vehicle" and "Permit Expired" citations, only for the first such qualifying citation per academic year, and only through an in-person transaction at the Parking Operations Office.

Commuter Student — A student enrolled at Bradley University who does not reside in University-operated residential housing. Commuter students are eligible for Commuter Student parking permits.

D

Decal — A parking permit in the form of an adhesive sticker permanently affixed to the exterior of the lower left rear window of a vehicle. Decals are the standard permit form issued to student permit holders. To be valid, a decal must be permanently attached to the outside of the lower left rear window. See Section XI.

Department of Parking Operations — The University administrative office responsible for permit issuance, citation processing, appeals coordination, towing authorization, and enforcement of these Regulations. Also referred to as the Parking Operations Office or Parking Operations Department. Located at 105 MacMillan Hall, 1308 W. Bradley Ave., Peoria, IL 61625. Contact: parking@bradley.edu | (309) 677-2227.

E

Enforcement Hours — The hours during which a valid parking permit is required in designated areas: 7:00 a.m. to 6:00 p.m., Monday through Friday. The St. James Apartment Complex requires a valid permit 24 hours per day, 7 days per week.

F

Faculty/Staff (F/S) — All full-time or part-time employees of Bradley University, including faculty, staff, and adjunct instructors. Student workers are not classified as Faculty/Staff for permit eligibility purposes.

Front-End-In Parking — The requirement that all vehicles be parked with the front of the vehicle facing into the parking space. Backing into any space on campus is prohibited campus-wide. See Section IV.

Full-Time Student — A student enrolled in twelve (12) or more credit hours during the current semester.

H

Habitual Violator — Any individual accumulating six (6) or more citations within an academic year, or three (3) or more unpaid citations that have remained unpaid beyond ninety (90) days. A habitual violator may be denied permission to park or operate a vehicle on University property.

Hang Tag — A parking permit in the form of a placard designed to hang from the rearview mirror post of a vehicle. Hang tags are the standard permit form issued to Faculty/Staff permit holders. To be valid, a hang tag must hang from the rearview mirror post with the permit number facing the windshield. Hang tags may be transferred between vehicles owned by and registered to the same permit holder. See Section XI.

I

Impoundment — The physical removal of a vehicle from University property by an authorized towing vendor and its transfer to a secured storage facility. An impounded vehicle will not be released until all outstanding citations and applicable towing, storage, and impoundment fees have been paid in full.

L

Late Fee — A monetary charge added to the outstanding balance of an unpaid citation at defined intervals following the citation issue date. Late fees accrue as specified in Section VI and are capped at \$30.00 per citation.

M

Motor Vehicle — Any self-propelled vehicle, including automobiles, trucks, vans, motorcycles, mopeds, and motorized scooters.

Motorcycle — A two-wheeled motor vehicle, including mopeds and motorized scooters. Motorcycles are subject to the same permit rates as standard motor vehicles and must be parked in designated motorcycle parking areas.

O

Outstanding Citation — A citation that has not been paid in full, dismissed, or voided. An outstanding citation creates a permit block (see Section VIII) and may trigger late fees under Section VI.

P

PARCS (Parking Access and Revenue Control System) — Automated equipment used to control vehicle access to, and collect fees from, designated parking facilities. Visitor and temporary parking fee structures are contingent on PARCS installation.

Parking Deck — A multi-level parking structure. Bradley University operates two parking decks: the Main Street Parking Deck and the Duryea Parking Deck. Booting and towing authority under Section X is limited to surface lots; parking decks are excluded from immobilization and towing authority unless separately authorized.

Parking Operations Coordinator — The University employee designated to administer day-to-day parking operations, including permit issuance, citation authority, towing coordination, and enforcement under these Regulations.

Parking Permit — A University-issued credential — in the form of a decal, hang tag, or electronically recorded authorization — that authorizes a vehicle to park in designated areas on campus during the applicable permit period. Permits are valid only for the registered permit holder and may not be transferred or loaned to another individual. Faculty/Staff hang tag permits may be used in any vehicle owned by and registered to the same permit holder, as provided in Section XI.

Part-Time Student — A student enrolled in fewer than twelve (12) credit hours during the current semester.

Payment Portal — The online platform through which permit purchases and citation payments may be made. Address: bradley.t2hosted.com/Account/Portal.

Permit Block — The administrative restriction on permit issuance applied to any individual account with one (1) or more outstanding unpaid citations. A permit block prevents the issuance of any new parking permit until all outstanding citations are resolved, subject to the limited in-person exception set forth in Section VII.

R

Reserved Space — A parking space designated by posted signage for a specific individual, department, vehicle type, or time-restricted use. Parking in a reserved space without the required permit or authorization is a violation under Section V.

Resident Student — A student residing in University-operated residential housing, including the campus residence halls and the St. James Apartment Complex. Resident students are subject to the deck or St. James permit requirements applicable to their residential assignment.

S

Surface Lot — A ground-level, open-air parking area. Booting and towing authority under Section X applies to surface lots only. Parking decks are excluded from this authority unless separately authorized.

T

Temporary Pass — A University-issued permit valid for up to fourteen (14) calendar days, available in person through the Parking Operations Office at a rate of \$2.00 per day. Typically issued when a registered vehicle is temporarily unavailable due to repair or servicing.

Tow Warning — A notice affixed to a vehicle's driver-side window advising the registered owner that the vehicle is eligible for towing and will be towed if outstanding citations and charges are not resolved within two (2) business days of the notice date.

U

University — Bradley University, a private institution located at 1501 W. Bradley Ave., Peoria, Illinois 61625.

University Property — All real property owned, leased, or controlled by Bradley University, including parking lots, parking decks, driveways, and roadways on or adjacent to the main campus.

V

Vendor Permit — A University-issued parking permit at no charge to an authorized business contractor, permitting the contractor's vehicle to park on University property while actively conducting University business. See Section XIII.

VIP Permit — A University-issued parking permit at no charge designating access to specific reserved spaces for authorized individuals. Issued at the sole discretion of the University.

Visitor — Any person not currently enrolled at or employed by Bradley University. Individuals residing in University-operated residential housing are not considered visitors regardless of their current enrollment or employment status.

Visitor Day Pass — A University-issued permit valid for a single calendar day, authorizing a visitor's vehicle to park in designated visitor parking areas. Fee structure is contingent on PARCS implementation. See Section XII.

I. Driver Responsibility

- **Finding Authorized Space** — The responsibility of finding an authorized parking space rests with the driver. Lack of parking space, mechanical problems, inclement weather, or other conditions are not valid excuses for violation of traffic and parking regulations.
 - **Space Availability** — A parking permit does not guarantee the holder a parking space, but only an opportunity to park within a specified area or areas. Spaces in prime areas tend to fill first.
 - **Enforcement** — Failure of the University to strictly enforce any parking regulation shall not be construed as a waiver for future enforcement of that regulation.
 - **Family Responsibility** — An individual is responsible for citations issued to vehicles registered in their name or to their family.
 - **Permit Ownership** — A parking permit signifies that an individual has been granted the privilege of parking on University property. Ownership of the parking permits remains with the University. Individuals may not transfer ownership. The theft or loss of a permit should be reported to the Bradley University Police Department (BUPD) immediately.
 - **Permit Display** — Parking permits or passes must be displayed according to the parking regulations or special instructions provided at the time of issuance. A parking permit is not considered valid unless displayed correctly on the vehicle.
-

II. Parking Area Designations

White Stalls — Stalls are marked by two white lines on either side of the designated space. Only one vehicle per space is permitted.

Blue Stalls — Stalls are marked by two blue lines on either side of the designated space. Only one vehicle per space is permitted.

Bumper Blocks — Blocks are placed in gravel lots to indicate space, unless otherwise marked. Only one vehicle per bumper block is permitted.

Yellow Markings — Yellow curbs and hashed-out areas are designated fire lanes, handicapped parking, or no-parking zones. Yellow marked areas are tow-away zones and must be kept clear at all times for designated or emergency vehicles.

Student permits allow parking in student-designated areas or designated Parking Decks. Commuting students may park in any student-designated area on campus or the Main Street Parking Deck. Students residing in the residence halls are restricted to the Main Street or Duryea Parking Deck, as assigned. Resident students may park in other areas after 6:00 p.m. Friday through 7:00 a.m. Monday, except at the St. James Apartment area where a special permit is required 24 hours a day, 7 days a week.

Faculty/staff permits allow parking in the assigned areas and in areas designated as General Parking and the Main Street Parking Deck.

Special permits (visitor or special occasion) allow parking in the areas stated on the permit.

Day Parking — Permits are required from 7:00 a.m. to 6:00 p.m. Monday through Friday.

Evening Parking — Any vehicle may park in any blue, white, or yellow area on campus after 6:00 p.m. The vehicle must be moved to the appropriate area by 7:00 a.m. Monday through Friday. Excluded are the Visitors Lot, the two Parking Decks, and the St. James Apartment area.

University parking rules and regulations are in effect all year, including periods when classes are not in session.

III. General Regulations

Parking is Prohibited When:

- Without a valid permit.
- Without properly displaying a valid permit.
- In a "No Parking" area.
- In a handicapped space without a valid State handicapped permit and University parking permit.
- Blocking a handicapped space.
- Blocking fire lanes or within 15 feet of a fire hydrant.
- Blocking or parking in spaces reserved for service vehicles, loading, or construction.
- Double parked.
- On lawns, sidewalks, crosswalks, driveways, straddling painted lines, or bumper blocks.
- Exceeding time limits in time-limited areas.
- In areas where your permit is not valid.
- Along curbs.
- Against the flow of traffic.

Additional Rules:

- Vehicles must be parked in a designated space. A vehicle parked to occupy more than one space is not an acceptable excuse for another operator to do the same.
- A vehicle is not allowed to park in an area closed by barricades or other traffic control devices.
- Motorcycles must display a valid University parking permit and may only be parked in areas designated for motorcycle parking.
- All vehicles parked on campus must display valid license plates (one front and one rear unless the State of origin provides only one).
- University property will not be used for extended periods as a storage lot for personal vehicles that are disabled or for sale.
- Motor vehicle accidents on University property should be reported to the Bradley University Police Department. Accident reports are available for insurance purposes.

Traffic Regulations

- The maximum speed for motor vehicles on University property is 10 miles per hour unless otherwise posted.
 - No person shall operate a motor vehicle at a greater speed than is reasonable and prudent under existing conditions.
 - Driving on grass or sidewalks is prohibited at all times.
 - Exceeding the speed limit or operating a motor vehicle in a reckless manner is grounds for revocation of parking and driving privileges on Bradley property.
 - Motorcycles and motorbikes, including mopeds, will be operated only on motor vehicle thoroughfares.
-

IV. Parking Orientation — Front-End-In Rule

All vehicles parked on University property must be parked with the front of the vehicle facing into the parking space. Backing into any parking space on campus is prohibited. This rule applies campus-wide to all parking configurations, including angled parking stalls. This requirement supports license plate visibility, pedestrian safety, emergency access, and consistent enforcement operations.

Violation: \$20.00

V. Parking Penalties and Fines

The person who purchases a parking permit will be held responsible for non-moving parking violations by any vehicle bearing that permit.

University parking fines are payable online at bradley.t2hosted.com/Account/Portal or in person at the Parking Operations Office, 105 MacMillan Hall, 1308 W. Bradley Ave., Peoria, IL 61625.

Schedule of Fines

Violation	Fine
Permit not properly displayed	\$20.00
Permit expired	\$20.00
15-minute time limit exceeded	\$20.00
Backed into space / pulled through (FEI Zones)	\$20.00
No valid permit on vehicle / reserved space violation	\$50.00
Not a designated space / blocking driveway, walk, or access	\$50.00
Expired plate registration	\$75.00
No parking zone (incl. fire lane, curb, barricade)	\$100.00
All moving violations (per offense)	\$100.00
Parking in a handicapped space without required permits	\$350.00
Tow fee (does not include wrecker or storage charges)	\$100.00
Possession or use of lost/stolen or forged/altered permit	Value of permit + revoked privileges

Habitual Violator: Any individual found to be a habitual violator may be denied permission to park or operate a vehicle on property owned or controlled by Bradley University.

VI. Late Payment Fees

Citations that remain unpaid are subject to graduated late fees as follows:

Days After Citation	Late Fee Added	Cumulative Outstanding Amount
Day 1 – 29	None	Face value only
Day 30	+ \$10.00	Original fine + \$10.00
Day 60	+ \$10.00	Original fine + \$20.00
Day 90	+ \$10.00	Original fine + \$30.00 (maximum)

The maximum late fee assessed on any single citation is \$30.00. Late fees are assessed per citation. Citations remaining unpaid at ninety (90) days shall be flagged for permit block review pursuant to Section VIII.

VII. Citation Waiver — One-Business-Day Permit Purchase Window

A first-time citation for **"No Valid Permit on Vehicle"** or **"Permit Expired"** may be waived upon the in-person purchase of a valid parking permit at the Parking Operations Office, 105 MacMillan Hall, within **two (2) business days** of the date and time the citation was issued.

- (a) **In-Person Purchase Required.** This waiver is available exclusively through an in-person transaction at the Parking Operations Office. Permit purchases made through the online portal do not qualify for citation waiver under this section.
- (b) **No Other Outstanding Citations.** If the cited individual has no other outstanding citations at the time of in-person permit purchase, the qualifying citation will be waived upon permit issuance.
- (c) **Other Outstanding Citations Present.** If the cited individual has other outstanding citations at the time of the in-person visit, **all other citations must be settled in full before a permit may be issued.** Upon settlement of all other citations and in-person permit purchase within the applicable window, the qualifying no-permit or expired permit citation will be waived.
- (d) **Online Portal.** When purchasing through the online portal (bradley.t2hosted.com/Account/Portal), **all outstanding citations must be settled in full** before a permit may be issued. No citation waiver is available online.
- (e) **One Waiver Per Academic Year.** This waiver applies only to the first qualifying citation issued per academic year. It does not apply to second or subsequent no-permit or expired permit citations within the same year.
- (f) **Qualifying Violations Only.** This provision applies exclusively to **"No Valid Permit on Vehicle"** and **"Permit Expired"** citations. It does not apply to restricted areas, handicapped violations, fire lanes, or any other category.

VIII. Permit Issuance and Citation Block

- (a) **General Permit Block.** No parking permit shall be issued to any individual or account holder with one (1) or more outstanding unpaid parking citations, subject to the limited in-person exception set forth in Section VII.
- (b) **Online Portal — No Exceptions.** When purchasing a permit through the online portal (bradley.t2hosted.com/Account/Portal), **all outstanding citations must be settled in full** before a permit may be issued. No citation waiver provisions apply to online transactions.
- (c) **In-Person at Parking Operations Office.** When purchasing a permit in person at the Parking Operations Office, the one-business-day citation waiver described in Section VII may apply to qualifying no-permit or expired permit citations. All other citation types must be settled in full before a permit may be issued regardless of transaction method.

(d) The Parking Operations Department does not issue partial permits, conditional permits, or permits pending citation resolution.

IX. Appeal Procedure

Anyone who wishes to appeal a parking citation must complete an appeal form. Appeal forms are available online at bradley.edu/parking or in person at the Parking Operations Office, 105 MacMillan Hall. The completed appeal form must be submitted to the Parking Operations Department, 105 MacMillan Hall, within fourteen (14) days of the date of issue. Parking citation appeals will not be accepted after fourteen (14) days of the date of issue.

The Parking Citation Appeal Committee is composed of faculty, staff, and students. The Committee has the authority to waive fines, reduce fines, require payment of fines, waive or reinstate applicable late fees, and revoke (temporarily or fully) parking privileges on University property. All appeal decisions are final.

Filing an appeal does not suspend the citation or any applicable late fee obligations. Unpaid citations continue to accrue late fees during the appeal period. If an appeal is granted, any late fees incurred during the appeal period will be reviewed and may be waived at the Committee's discretion.

X. Removal, Immobilization, and Impoundment

Boot Immobilization

- (a) Any vehicle with three (3) or more outstanding unpaid parking citations may be booted (immobilized) at the discretion of the Parking Operations Department. A boot shall be removed upon payment of all outstanding citations plus any applicable boot removal fee.
- (b) Boot authority applies to surface parking lots only. The Main Street Parking Deck and Duryea Parking Deck are excluded from booting authority unless separately authorized.

Towing Authority

- (a) Any vehicle with three (3) or more outstanding unpaid parking citations may be towed from University property at the discretion of the Parking Operations Department. Towing authority is concurrent with and independent of booting authority; a prior boot is not a prerequisite to towing.
- (b) Additionally, any vehicle that inhibits traffic flow, hampers fire protection, is parked illegally in a handicapped space, blocks handicapped access, or displays a lost, stolen, or forged/altered permit is subject to immediate towing at any time.
- (c) The Parking Operations Coordinator, or an authorized designee, shall have authority to order booting or towing. All towing operations shall be coordinated with the Bradley University Police Department (BUPD) and conducted by the authorized towing vendor under a current agreement with the University.
- (d) Towing authority applies to surface parking lots only. The Main Street Parking Deck and Duryea Parking Deck are excluded unless separately authorized.

Towing Warning

As a courtesy, any legally parked vehicle found to have three (3) or more outstanding unpaid citations may have a tow warning affixed to the driver's side window. The owner/operator has two (2) business days from the date of the tow warning to resolve all citations and charges outstanding. Tow warnings are discretionary courtesy notices and do not limit the University's authority to immediately tow vehicles otherwise eligible for removal under these regulations.

Tow Fee

The fee for towing and impoundment is set by the authorized towing company. Special equipment or unusual circumstances may increase the charge. A storage fee may be assessed for each day a vehicle is not claimed.

Impoundment

A vehicle is deemed to be impounded when it has been located by an authorized University official and the tow process has been initiated, even though the tow truck has not yet arrived. Impounded vehicles will be held until all outstanding citations and charges have been paid.

XI. Permits

Permit Registration

Any student, faculty, staff, or person with University business who regularly parks on property owned or controlled by the University must display a valid Bradley University parking permit from 7:00 a.m. to 6:00 p.m. Monday through Friday. Permits must be displayed on all vehicles in the St. James Apartment Complex 24 hours a day, 7 days a week.

Parking permits are to be purchased online at bradley.t2hosted.com/Account/Portal or in person at the Parking Operations Office, 105 MacMillan Hall. All permit services — including temporary permits, replacement permits, and special permits — are available exclusively through the Parking Operations Office.

A parking permit will not be issued to any individual who has unpaid parking citations, except as provided in Section VIII (Permit Issuance and Citation Block).

Placement of Permit

To be valid, a student permit must be clearly visible and permanently attached to the **outside of the lower left rear window**. Taping a permit to the window or inside the vehicle window is not permitted.

To be valid, a hanging (faculty/staff) permit must be clearly visible and hanging from the rear view mirror post of the vehicle. The permit number must face the windshield. A permit must not be defaced or altered in any way.

Use of Multiple Vehicles

A commuter student may purchase additional permits for vehicles registered to him/her. Faculty/staff who purchase a hanging permit may transfer the permit to another vehicle provided the vehicle is owned by the employee and registered with the University.

Theft or Loss of Permit

The theft or loss of a parking permit should be reported to the Bradley University Police Department immediately upon discovery. After a report has been filed, the permit will be replaced on a prorated fee schedule.

Temporary Permits

Individuals may obtain a temporary permit if the vehicle registered with the University is being repaired or serviced. Temporary permits have a time limit of fourteen (14) days. Temporary permits are available at \$2.00 per day through the Parking Operations Office.

Permit Charges

All permits are sold on an academic year basis — valid from August 1 of each academic year and expiring July 31 of the following year. Permits become invalid on the date a student, faculty, or staff member withdraws or separates from the University.

FY2027 Permit Schedule: Permit types and rates are established as follows. Mid-year prorated rates are available from the Parking Operations Office.

Permit Type	Annual Rate	Notes
Commuter Student — Full-Time	\$170.00	
Commuter Student — Part-Time (8 credit hours or fewer)	\$100.00	
Duryea Parking Deck	\$170.00	Deck access; student
Main Street Parking Deck	\$170.00	Deck access; student
Saint James Complex	\$170.00	Required for St. James residents
Faculty/Staff — Full-Time	\$65.00	
Faculty/Staff — Part-Time	\$55.00	
VIP Permit	\$0.00	University-issued only; designated spaces
Vendor Permit	\$0.00	
Visitor Day Pass	\$2.00 / day	Contingent on PARCS implementation
Temporary Pass	\$2.00 / day	Max 14 days; Parking Operations Office only

Motorcycle permit fees are the same as the applicable vehicle permit rate. All permits valid August 1 through July 31. Mid-year prorated rates are available from the Parking Operations Office.

Permit Replacement

Replacement permits are available through the Parking Operations Office, 105 MacMillan Hall. Employees who need a replacement hang tag must pay the applicable pro-rated permit fee. Students who need a replacement permit decal must present the permit decal being replaced or provide written documentation that the registered vehicle is no longer in their possession. The replacement fee is \$10.00 for the first replacement, \$20.00 for the second, and increases by \$10.00 for each subsequent replacement.

Permit Reimbursement

Parking permits are generally non-refundable. The following fee schedule applies if a student withdraws from the University, or a faculty or staff member terminates employment, prior to April 1 and returns the permit(s):

Period — Last Day on Campus	Refund Amount
September – October	80% of original purchase amount
November – January	50% of original purchase amount
February – March	30% of original purchase amount
After April 1	No refund

All refunds are processed by the Parking Operations Department. Prior to refund, all outstanding parking citations must be resolved. Contact the Parking Operations Office at 105 MacMillan Hall or parking@bradley.edu to initiate a refund.

XII. Special Permit and Visitor Parking

Persons attending special University-sponsored workshops or seminars must obtain a short-term parking permit from the Parking Operations Office, 105 MacMillan Hall, or from the sponsoring unit.

All visitor parking is restricted to the Visitor Lot or designated visitor parking spaces. Visitor parking is subject to a fee where a Parking Access and Revenue Control System (PARCS) is in operation. Current visitor rates are posted at the Visitor Lot entrance and at bradley.edu/parking. Faculty, staff, students, and any vehicle assigned a University parking permit are prohibited from parking in visitor parking spaces.

Faculty, staff, students, or University divisions sponsoring seminars or special events should contact the Parking Operations Office, 105 MacMillan Hall, to arrange parking in advance.

A visitor or guest is defined as anyone other than a student or employee of Bradley University or an employee of a University contractor with a valid contractor permit.

XIII. Vendor and Loading Zone Parking

Vendors conducting business with the University are required to have a valid parking permit prior to parking on campus. Vendor permits are available at no charge through the Parking Operations Department, 105 MacMillan Hall. Applications for vendor permits and special parking arrangements are available from the Parking Operations Department.

XIV. Handicapped Parking

A Bradley University parking permit and a valid State handicapped permit are required for all students and employees parking in designated handicapped spaces at the University. Both permits must be displayed simultaneously.

XV. Special Events and Lot Maintenance

The University, through the Parking Operations Department and Bradley University Police Department, has the authority to close individual parking lots, driveways, or other parking facilities when necessary to accommodate University needs, including street cleaning, lot maintenance, and special events. When practical, the University will post closing notices as far in advance as possible.

Additional information on parking is available by contacting the Parking Operations Department, 105 MacMillan Hall, parking@bradley.edu, (309) 677-2227, or through the online parking portal at bradley.t2hosted.com/Account/Portal.

All permit purchases, citation payments, reimbursements, and parking appeals are handled exclusively by the **Department of Parking Operations**, 105 MacMillan Hall, 1308 W. Bradley Ave., Peoria, IL 61625.

Online portal: bradley.t2hosted.com/Account/Portal | parking@bradley.edu | (309) 677-2227 | Monday – Friday, 8:00 a.m. – 5:00 p.m.

Bradley University Parking Regulations | Effective August 1, 2026
