CATERPILLAR COLLEGE OF ENGINEERING & TECHNOLOGY

91%

Information was obtained from 99% of the undergraduate class (137 graduates, 136 respondents), resulting in a 95% career outcome rate: 91% are employed, and 4% are pursuing graduate school. Salaries met or exceeded the national averages reported by NACE. Some notable employers of graduates include Caterpillar Inc., Boeing, Ford Motor Company, GE Healthcare, General Dynamics Electric Boat, Komatsu America Corp. and Northrop Grumman Corporation. Graduates continuing their education have enrolled at Bradley University, Johns Hopkins University, University of Illinois -- Urbana-Champaign, and Washington University in St. Louis. Additionally, 99% of the engineering graduates actively engaged with the Smith Career Center through appointments, fairs, workshops, and employer-related information sessions. *Rick Smith, Ph.D., Career Advisor*

COLLEGE OF LIBERAL ARTS & SCIENCES

61%

The College of Liberal Arts and Sciences (LAS) produces the largest number of graduates among the five colleges, with 257 students completing their degrees. Of these graduates, 61% have entered the workforce, joining more than 103 organizations, including Advocate Aurora Health, Caterpillar Inc., Peoria County Juvenile Detention Center, Peoria Public School District 150, and PointCore. The remaining 34% of LAS graduates have chosen to pursue advanced degrees at institutions such as Northern Illinois University, Drake University, University of Illinois College of Medicine, George Washington University, and University of Iowa. *Cortlin Presley, Smith Career Center*

*Experiential Activities include registered internships and co-ops, practica, faculty-lead research, capstone projects, service-learning and study abroad. Individual Experiential Activities completion status was provided by the Office of Institutional Effectiveness. Four baccalaureate graduates in this class did not demonstrate experiential activity: one matriculated before the Experiential Learning requirement was enacted, and three were exempt as transfer students covered by the Illinois Articulation Initiative.

**A registered an internship requires enrollment in an internship course.
