

THE BRADLEY SFI 360 EXPERIENCE

Writing Focus (*Oratory, SOS, INFO*)

All major public address high school speech events are covered plus additional resources and techniques for cover letter and essay writing, creative & humorous writing, narrative storytelling and more. We also cater to students looking to improve their writing and storytelling for future careers.

Performance Focus (*Prose, HI, Poetry, POI, DUO, DI*)

All high school interpretative speech events are covered along with additional training in stage presence, choreography and blocking, and more. Theatre students are welcome! Perfect audition monologues and learn more about the craft.

Research Focus (*EXT, IMP, Radio*)

All high school limited prep events are covered along with additional instruction for research paper writing, persuasion and argumentation, and more. Excellent for college bound students looking to become better at speaking with limited preparation and learning in-depth research strategies.

General Day Structure

Morning: Interactive lectures and group-led workshops

Afternoon: Two-on-one focused coaching with former national champions, college competitors and college and high school coaches.

Evening: Breakout sessions focused on skill sets.
