The Bradley PDS Partnership Council is currently accepting presentation proposals for the 2013 Bradley PDS Spring Celebration, which will be held on Thursday, April 18, 2013 from 4:00-6:00 p.m. in Bradley University’s Westlake Hall Professional Development Center. Soft drinks, coffee, hors d’oeuvres, and desserts will be served.

- Poster presentations (tri-fold boards, please!) will take place between 4:00-4:30 p.m. All poster presenters should remain near their tri-fold board to answer questions during this time.
- Roundtable discussions will take place from 4:40-5:00 and 5:05-5:25 p.m. All roundtable discussion presenters will lead two interactive, 20-minute sessions.
- The afternoon will conclude with recognition and celebration of 2012-2013 Bradley PDS initiatives and accomplishments from 5:30-6:00 p.m. Door prizes will be awarded!

Students, teachers, professors, administrators, and others who have participated in projects at Bradley’s professional development schools during the 2012-2013 academic year are encouraged to submit a proposal that either 1) describes a recent Bradley PDS project or 2) explores a compelling educational topic or issue. Group proposals are welcome. Proposals that include presenters from both Bradley University and one or more Bradley PDS sites are especially encouraged.

All proposals should include a cover page with the following information:
- Lead presenter’s name, title/position, school/university, e-mail address, and phone number
- All additional presenters’ name(s), title/position(s), school/university, and e-mail address(es)
- Type of presentation: (Poster or Roundtable Discussion)
- Title of presentation:

All proposals should include an additional page (one page only) with the following information:
- Title of presentation:
- Type of presentation: (Poster or Roundtable Discussion)
- Brief description of presentation (for the celebration program): (50 words or fewer)
- Detailed description of the presentation that explains how a Bradley PDS project has accomplished (or the presentation itself will accomplish) one or more of the following Bradley PDS Partnership goals: 1) Support or improve student learning and achievement, 2) Prepare professionals in education and health sciences, 3) Provide lifelong learning experiences and leadership opportunities, 4) Promote best practices in teaching, learning, and leadership, 5) Support the health and well-being of students, their families, and the professionals who work with them.

Presentation proposals should be sent electronically, via e-mail attachment, to Sally Miller at samiller2@bradley.edu. The deadline for submission is 4:00 p.m. on Friday, March 8th. All proposals will undergo blind review by a committee of the Bradley PDS Partnership Council. Please contact Dr. Jana Hunzicker at jhunzicker@bradley.edu or 677-3201 with questions.
