HAPPY END OF THE SEMESTER!

Good luck with final exams! Enjoy your break and come back refreshed. Happy Holidays to all!

Congrats to those of you who have interviewed, and good luck to those of you with upcoming interviews during the break!

The acceptances are just beginning to roll in from many health professional schools. Congrats to those of you already accepted! That is truly something to celebrate! Keep me posted about your good news.

For those of you still playing the waiting game, don’t be discouraged; be smart and have a “Plan B”. This application season is far from over, but break would be a good time to do some follow up with your schools to let them know you are still interested and provide updates, or do some personal reflection to develop a strategy….come talk to Dr. Val in January.

Winter break is also a good time to get started on some job shadowing or observation hours with healthcare professionals, or volunteer and share your time during the holiday season.

ATTENTION PTCAS APPLICANTS

ACADEMIC UPDATES

Don’t forget to submit your PTCAS Academic Updates and request new transcripts starting December 12th. Deadline is January 15th to update Fall semester grades or February 16th if you are also taking a J-term course. For more information about the Academic Update, please visit http://www.ptcas.org/UpdatingFallCourses.

GMT SUBWAY NIGHT

THURSDAY DECEMBER 4TH, 4-8PM
SUBWAY, CAMPUSTOWN

Our chapter of Global Medical Training and 12 Bradley pre-health students will be going to the Dominican Republic on a medical mission trip in January. Proceeds from the Subway fundraiser will be used to purchase over-the-counter medical and dental supplies for the people of the Dominican Republic. Safe travels, and do good work!

ADVISING APPOINTMENTS

DR. VAL WILL NOT BE AVAILABLE
DECEMBER 19-JANUARY 18

I get a break too 😊 so please plan accordingly. You can still check availability and schedule appointments online up to 3 weeks in advance at http://prehealth-val_bennett.youcanbook.me/ Or call 309-677-4200.

SPRING 2015 WORKSHOP & SPEAKER SERIES PREVIEW

Here’s a preview of some of the events and programming in the works for next semester:

- Additional healthcare professionals and speakers
- GRE practice test
- Field trip to Jump Simulation Center
- Workshop & Student Panel: Navigating the Application Process
- Workshop: Writing Your Personal Statement
- And more…

Check the HPAC Events Calendar, Facebook, or future monthly newsletters for details as they become available:
