Caterpillar occupies the third floor of the Peoria NEXT Innovation Center. It serves as a training facility for team members from around the world. This space allows real-time collaboration efforts across its global organization through remote conferencing capabilities.

The premise of 4,366 square feet has three conference rooms available to use at no cost to Caterpillar. Each room is equipped with Projector, Touch-Screen and Phone.

- Room 314 – Holds 15 people (LCD Screen in this location)
- Room 318 – Holds 40 people
- Room 319 – Holds 25 people
- Rooms 318 and 319 can be combined and will hold around 75 people

The space is reserved through Caterpillar. The contact information for all reservations for this floor is:
