DROP-IN ADVISING HOURS
TUESDAYS, 4-6PM
BRADLEY HALL ROOM 239
Registration time for Summer and Fall is here! Have some questions about registering for classes? Can’t find time to schedule another appointment with Dr. Val? Feel free to drop in to the Health Professions Advising Center March 31, April 7, or April 13 and meet with Dr Val – no appointment necessary. As always, you can still schedule appointments at https://prehealth-val_bennett.youcanbook.me/ Or call Nora at 309-677-4200 for assistance.

WORKSHOP: WRITING YOUR PERSONAL STATEMENT
THURSDAY APRIL 16TH, 4:30-6 PM
BRADLEY HALL 225
Do you need to write a personal statement or essay for your upcoming application to medical school, PT, OT, PA, pharmacy, or other health professional school? Don’t know where to start? Well start here! Bring pen and paper or laptop and your thinking cap. Leave with resources, ideas, and the beginning of your first draft after this interactive workshop. Lead by Dr. Val Bennett, Director of the Health Professions Advising Center, and Dr. Rob Prescott, Department of English. Space is limited and reserved for those planning to apply this year. Please register here by April 14th to reserve your space.

UPCOMING VIRTUAL CAREER FAIRS
WHAT IS A VIRTUAL FAIR?
These are FREE online events where you can meet and chat with admissions representatives from various health professional schools. It’s a great way to research different programs to develop your list of schools where you would like to apply, especially if they are too far away for a campus visit, and get tips on how to prepare for the application process. Mark your calendar, make a list of questions, and register today!

- Optometry Virtual Fair – April 21
- Physician Assistant Virtual Fair – April 21 & 22
- Physical Therapy Education Virtual Fair – April 28 & 29
- Pre-Dental Student Virtual Fair – June 11

RURAL MEDICAL EDUCATION (RMED)
WEDNESDAY APRIL 29, NOON-1PM
BRADLEY HALL ROOM 235
Mark Meurer, Director of Recruitment for University of Illinois College of Medicine’s Rural Medical Education Program will be here to talk about the unique challenges of medically underserved rural communities, and special training opportunities available through the RMED and RPharm programs. Please join us for his presentation and discussion. If you are interested in continuing the conversation with Mark and Dr Val over lunch, please email vbennett@fsmail.bradley.edu

NEW SUMMER COURSE: CHM 250
CONCEPTS IN ORGANIC CHEMISTRY
The Department of Chemistry & Biochemistry will be offering a new online organic chemistry course during Summer II. This one-semester in-depth coverage of conformational analysis, stereochemistry, reaction mechanisms, and spectroscopy may be appropriate for some pre-health students. Those who pass CHM 250 in Summer 2015 will be able to take CHM 253 lab and CHM 360 Biochemistry in Fall 2015, but will NOT be eligible to take CHM 256 Organic Chemistry II. Check with Dr Val or Dr. Andersh to see if this is a good option for you, your major, and your health career goals. See flyer for more details.
