INSTRUCTIONS FOR COMMENCEMENT

Commencement is a solemn, formal ceremony designed to provide recognition to students who are completing the necessary requirements for a degree. It is also an event in which family and friends take pride in the accomplishments of their graduate. To continue the tradition and dignity of this ceremony, participating students are asked to observe the following:

- Wear suitable attire beneath your gown. Refrain from wearing jeans, tennis shoes, or other informal clothing.
- Alcoholic beverages are not permitted.
- Academic apparel is worn as follows:
  a. The mortarboard is kept level with tassel at the middle of the left side. (Note there is a front and back to the mortarboard.) Men should remove their mortarboards during the invocation, benediction, singing of the national anthem and the alma mater. At all other times, the mortarboard should be worn by all graduates.
  b. Students who are to graduate with honors will be issued honor regalia to be worn at the ceremony.

A student must have earned or be registered for a minimum of 60 hours in residence at Bradley, and have obtained a minimum cumulative GPA of 3.40 to be eligible for honors. For more information, refer to the honors section of the undergraduate catalog.
PROCESSION ASSEMBLY
Undergraduate students assemble into the line of march from areas designated for each college in exhibit hall A at approximately 8:30 a.m. College marshals will assist in establishing the correct line of march. Maintain your position in this line.

There are two routes to the arena floor planned for the candidates—one inside, one outside. The outside route takes the candidates out the rear of exhibit hall A and down the loading ramp to the floor level of the arena. In the event of inclement weather, the inside route will be used with candidates using the Bradley Club entrance to go downstairs to the arena. College marshals will lead candidates to the starting position. Proceed with care.

Candidates should keep a dignified bearing and pace as they enter the arena. The honorary and junior marshals will lead the procession. Students will be in four lines—one for the left aisle; two for the center aisle; and one for the right aisle. Follow the person in front of you. Keep a distance of four feet between you and the person ahead. Ushers in the arena will direct you to your seat. Remain standing until instructed from the podium to be seated.

At the time of degree presentation, each college will be asked to rise. Make a special effort to rise and be seated in unison. You will proceed forward from the right or left side at the direction of the ushers. Have the NAME/PHOTO ADDRESS card in hand. As you come forward you will receive your diploma cover and your photo will be taken before you reach the stage. Present your name card to the reader and continue without pause to the dean and the president to receive their congratulations. Return to your seat down the center aisle and remain standing until the entire college has returned. Remain in your seat until the recessional.

During the recessional, those on the platform will leave first, followed by the faculty. The junior marshals will lead the graduates out of the arena. Colleges will exit in the same way they entered. Proceed up the ramp and back into exhibit hall A. Arrange to meet parents and friends at exhibit hall A or in the lobby.
GUEST BEHAVIOR
Each graduate has earned the honor of having his/her name read and heard during the presentation of degrees. For this reason we ask that you instruct your guests to refrain from using air horns or other noisemakers when your name is read. Ask your guests to be considerate of your classmates, their families and guests so that all names may be heard.

TICKETS FOR Commencement
Tickets are not required for May 2016 Commencement.

PHOTO SESSION
An area in the lower bowl seating area will be reserved on both sides of the stage to permit family and friends the opportunity to photograph their students. These areas are intended to provide guests the temporary opportunity to take photos and are not to be used as permanent seats. Guests are not permitted on the arena floor during the ceremony.

NEWS RELEASE
A news release announcing your graduation from Bradley University will be sent to your hometown newspaper. If a hometown newspaper is not listed in your student record, give this information to the Office of Public Relations. You may call the office at (309) 677-2242. If you do not want a news release sent, please inform the Office of Public Relations, in writing, prior to graduation.
