Name __________________________
E-mail __________________________
Campus/ local phone __________________________
Current Psychology GPA __________________________
Overall GPA __________________________
ACT (composite) __________________________
Are you currently in the University Honors Program at Bradley? Y N
Anticipated graduation date ____________

Eligibility criteria:
1. Enrollment (and in good standing) in the University Honors Program
OR
2. PSY (or overall) GPA equal to or greater than 3.5

Additional document (all applicants):
A. Please attach statement (no more than one page) explaining (a) your research interests, broadly conceived, and (b) the skills you hope to develop and improve by completing the Honors Experience in Psychology.

B. Statement of support from Psychology Department professor. The statement should be a sentence or two confirming your motivation and ability to successfully complete an honors project and thesis. The statement of support should not be construed as an agreement by the statement author to serve as advisor for the thesis project.

Submit completed application to: Kathy Baker, Department of Psychology, Bradley Hall, Room 80

Your application will be reviewed by the Honors in Psychology Admissions Committee and you will be notified of your status before registration advising begins. A limited number of spots are available each year, so eligibility does not ensure entrance into the program.
